Why aren't YOU driving a Car? Overland ownership means more business, more pleasure. It means the saving of time and worry.

Of comfortable seating and good riding qualities, the Overland five passenger touring car offers the maximum. Long, well-proportioned springs and luxurious upholstery give armchair comfort even on rough roads.

It's 35-horsepower motor gives you all the speed you want, with a reserve of power more than sufficient to meet any call.

1914 Model has six electric lights, electric horn, centre control, wide wheelbase — everything that makes for comfort and efficiency — yet the price is only £375.

Will you let our Agent take you for a run?
